Note to Coaches

Dear Coaches,

You have been over-nighted 100 tickets to sell for the Regional Tournament. This is to defer the large costs of hosting a tournament. Once you have sold all 100 tickets, the ACHA will reimburse you 20% of your earnings. You must present a check to your Regional Coordinator at the pre-tournament coaches' meeting. Also, the ACHA asks participating teams to encourage family and friends to also stay in ACHA approved hotels to help further defer costs of the tournament. Also, all teams must fill in and return their travel form to the tournament director and commissioner completed with your approved hotel reservation information. Good luck to all teams participating!

Sincerely,
The ACHA
